

Two Day FDP
ON
Agile Methodology & Scrum Framework
18th – 19th December, 2019

Organized
By
Department of Computer Science & Engineering,
Information Technology

VARDHAMAN COLLEGE OF ENGINEERING
(Autonomous)

Shamshabad-501 218, Hyderabad,

In association with
Tata Consultancy Services (TCS)- Bangalore

ABOUT THE WORKSHOP

The workshop would enable participants to learn the Agile methodologies and the Scrum framework used in the software development process. Agile methodology is a practice that helps continuous iteration of development and testing in the software development process. Agile breaks the product into smaller builds. Scrum is an agile process that allows us to focus on delivering the business value in the shortest time. It rapidly and repeatedly inspects actual working software. It emphasizes accountability, teamwork, and iterative progress toward a well-defined goal.

TOPICS

Introduction to software development process, Agile methodologies, Kanban and its simulation, hands-on session on Agile methodologies, Introduction to Scrum framework, Scrum simulation, and hands-on sessions using Scrum.

TARGET AUDIENCE

The Workshop is designed for all Ph.D. Scholars, PG/UG students, and the faculty of CSE/IT. Students/Faculty of other branches having a generous interest towards programming are also welcome.

REGISTRATION FEE

No registration fee.
