

VARDHAMAN COLLEGE OF ENGINEERING (AUTONOMOUS)

Shamshabad– 501 218, Hyderabad

Providing Stationary and involving in cultural activities for government school kids and orphanages whenever necessary, 06. July . 2015 to 05. Aug. 2015

The constitutional right for every kid is the mandatory primary education. The government schools are providing such a resources to attract the kids, whose family back ground is poor. They are coming for mid-day meal program and free text books . So to make them strong in their education and learning ability as competitor with private schools kids ,whose attraction is English medium. Our college supported English medium practical oriented books from fundamentals and practice note books and necessary stationary given for each kid to practice and expertise. They also participate in other extra circular activities.
