

## **VARDHAMAN COLLEGE OF ENGINEERING** (AUTONOMOUS)

Shamshabad– 501 218, Hyderabad

**Health Survey and Identification of Need Statement for technical solutions**  
**28. Aug. 2018 to 05. Sept. 2018**

To create awareness, on fundamental rights the volunteers visited to the adopted villages and take the input from each house as a survey and explain them about good health habits . Identify the issues faced by the people. Within the limits of volunteers they resolved some issues with concern with the village sarpanch. Beyond their limits bring the problems to the professors and like to find the technical solutions if possible. Creating awareness on voters ID for the youth, above 18 plus age and its necessity. Primary schools education importance to the parents other than working as a child labour to get income. Train some of the villagers on digital transactions and its usage and as well as govt. schemes.
