* In case, Ph.D qualified faculty members requirement is not met for the proposed intake, then the proposed intake is reduced proportionately as per the Ph.D possessing faculty members.

# In case, the admitted intake is less than 25% of the JNTUH sanctioned intake in any of the applied courses in all the
previous three years but the admitted intake is at least 10 or above in one of the previous three years, then such courses are considered for affiliation with a minimum intake of 60, provided they meet other requirements as per norms. However, the faculty requirement is calculated based on sanctioned intake only.

## Due to non-availability of Principal for the majority period during the Academic year 2018-19, the intake is reduced to 50% of the normal JNTUH sanctioned intake (subject to a maximum of 60) in the course having highest sanctioned intake and also having least admissions during previous Academic Years.

Further, the University is not inclined to grant affiliation for the remaining courses indicated in annexure due to any of the following reasons:

I) a. Principal/Faculty members deficiency such as
   1. Principal / Faculty members not qualified as per AICTE norms.
   2. No Principal / Faculty - Student ratio is less than required as per the norms.
   3. No Valid SCM.
   4. Lack of identity proof of faculty member such as valid PAN Card/ Aadhaar Card of the faculty member (for the verification of faculty member particulars).
   5. Lack of proof of payment of salary particulars for existing staff (Bank statement including TDS particulars).
   6. Blacklisted/ Multiple registrations.
   7. Not satisfying biometric attendance criteria.

b. Laboratory deficiency
   1. Non availability / Non working condition of laboratory equipment.
   2. Lack of all supporting documents for laboratory equipment.
   3. Non - Fulfilment of the additional laboratory requirement.

II) As per clause: 3.30 of affiliation regulations 2019-20.

III) No admission status in the courses due to no classwork going on / acute faculty shortage / lab equipment shortage during surprise inspection.

The above are essential for imparting Quality Technical Education.

This affiliation is granted based on the continuous availability of faculty members shown in A-419, any mobility of such faculty members should be as per due procedure & shall be informed to DUAAC on a monthly basis. In case it is found at any later / future point of time, that these faculty are not available, the Institution is liable for punitive action as per the affiliation regulations.

You are directed to install handheld biometric system and CC cameras to record staff (if not implemented BAS) and student attendance particulars and communicate to the University on a daily basis.

It is further stated, that the University reserves its right to make further re-inspection at any time for satisfaction of the existing essential academic requirements in particular with regard to Laboratory and Faculty members in your college. If the University is not satisfied regarding the essential requirements, the affiliation may be cancelled.

The annexure contained along with this letter may be read as a part of this letter.

Subject: Accreditation status of programmes applied by Vardhaman College of Engineering, Shamshabad Ranga Reddy District- 501218 Telangana.

Sir/Madam,

This has reference to your application I.D. No. 2869-13/04/2018 seeking accreditation by National Board of Accreditation in Tier-I format to UG Engineering programs offered by Vardhaman College of Engineering, Shamshabad Ranga Reddy District- 501218 Telangana.

2. An Expert Team conducted on-site evaluation of the programs from 14th-16th December, 2018. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for 3 years. Vardhaman College of Engineering, Shamshabad Ranga Reddy District- 501218 Telangana should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a visit, as deemed appropriate by NBA Committees.
5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Vardhaman College of Engineering, Shamshabad Ranga Reddy District- 501218 Telangana** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA’s notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators’ Reports in respect of the above programs are enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Anil Kumar Nassa)
